

CENTRE VILLE
ELITE APARTHOTEL

Centre Ville Elite ApartHotel is the 5-star brand of the Centre Ville ApartHotel. Premium location and the luxury apartments of various sizes and shapes make it the top choice for long term and short term stylish headquarters in Bucharest. If you're a discerning traveller, doing business in Romania, this is the true choice for you – modern and with an attention to details unmatched in the whole country.

The design of the rooms is contemporary, minimalist, simple and trendy. Luxury furnishings like expensive woods and marble give the place an aura of exclusivity and refinement.

But, make no mistake, the Elite ApartHotel at Centre Ville has much more than good looks. The staff is highly trained and can provide first-class personalized service at all times and in all requests. Challenge us and we'll make sure we deliver!

"Luxury away from home" is what we strive to offer and it is a matter of great pride for us that you have anything you can possibly desire right at your fingers, from services and facilities, to nightlife and business locations.

The jewel of our crown is the Executive Lounge and indoor terrace facing the inner garden and the Bucharest skyline. Cozy arm chairs and sofas, a conference table, top office equipment are only a few things you will find at your disposal. On any given day you can come here and run into Hollywood superstars, high-level diplomats and officials or top executives from international companies. They all appreciate the privacy and the exclusive view it affords over much of Bucharest.

Centre Ville Le Bistro, our very own Mediterranean style restaurant, is certain to charm you instantly! A great selection of savory dishes, the proficient personnel always ready to provide you with everything, the unique design, the privacy are just a few of our arguments. Another one that we're especially proud of is the Mediterranean country brick oven, with its inimitable and delightful aroma that adds a note of authenticity to the wonderful setting.

On top of these, Le Bistro is the only place in the center of Bucharest with a quiet, relaxing Garden Veranda, the ideal space for closing deals, a private business lunch or a relaxing nightcap. Start the day with a refreshing espresso or unwind after a hard day's work on a leather armchair inside or on the Garden Veranda overlooking the outdoor pool and jacuzzi. With high-speed wireless internet available everywhere in the complex, mixing business with pleasure has never been easier.

Centre Ville Elite ApartHotel is minutes away from everything important in Bucharest and 16 km from the Otopeni airport, on Calea Victoriei Street. It is part of the new Centre Ville The Hospitality Complex, a one-stop location for all your needs, including the newly opened Radisson SAS hotel, Platinum Casino, World Class Health Academy Downtown, with its indoor and outdoor pools and jacuzzis, 8 Food & Beverages outlets and bars. Together with these, Centre Ville The Hospitality Complex also offers quality services for all business needs ranging from travel arrangements, all the way to renting a car, branded clothing shops and a bank.
