

Bucharest has become an established hub for so many new and interesting ventures, that year after year Romania sees an upsurge of investments and people. From real-estate to Hollywood movies, Bucharest is the place to be and Centre Ville the place to stay.

More and more business people from all over the world rely on Centre Ville ApartHotel for short and long term accommodation that's warm, cozy and in the best location you can find in town.

Come to Bucharest and choose from our 4-star apartments located in the heart of the city! The apartments have various sizes, all with a modern and refined atmosphere and personalized "Home away from home" services.

Centre Ville Le Bistro, our very own Mediterranean style restaurant, is certain to charm you instantly! A great selection of savory dishes, the proficient personnel always ready to provide you with everything, the unique design, the privacy are just a few of our arguments. Another one that we're especially proud of is the Mediterranean country brick oven with its inimitable and delightful aroma that adds a note of authenticity to the wonderful setting.

On top of these, Le Bistro is the only place in the center of Bucharest with a quiet, relaxing Garden Veranda, the ideal space for closing deals, a private business lunch or a relaxing nightcap. Start the day with a refreshing espresso or unwind after a hard day's work on a leather armchair inside or on the Garden Veranda overlooking the outdoor pool and jacuzzi.

With high-speed wireless internet available everywhere in the complex, mixing business with pleasure has never been easier.

Centre Ville ApartHotel is minutes away from everything important in Bucharest and 16 km from the Otopeni airport, on Calea Victoriei Street. It is part of the new Centre Ville The Hospitality Complex, a one-stop location for all your needs, including the newly opened Radisson SAS hotel, Platinum Casino, Worldclass Health Academy Downtown, with its indoor and outdoor pools and jacuzzis, 8 Food & Beverages outlets and bars.
